

HCBA QUESTIONNAIRE

MULTI-GENERATIONAL HCBA MEMBERS

The HCBA History Committee is conducting a survey of HCBA members to determine the extent of multi-generational membership. We are interested in obtaining this information as we may feature some articles, quotes and anecdotal information on the History link on our HCBA website. It is fascinating to explore the rich traditions of our membership as we maintain the distinction of being one of the oldest continuously operating Bar Associations in the country. This will serve as a preliminary way of gathering information and based upon the response, you may be contacted by one of our committee members for additional information. Please take a moment to review the questions on below and fax or email your answers back to the HCBA. Thank your for your prompt attention in responding to this brief survey.
