

**Connecticut Community Law Center at  
UCONN Law School  
Mission**

The Connecticut Community Law Center, an initiative of UCONN School of Law and the Hartford County Bar Association, is a post-graduate program for recently admitted lawyers that helps them develop sustainable legal practices to help bridge the civil “justice gap” in the Greater Hartford Community. It provides reasonably priced legal help to people who traditionally have been underserved by the justice system: low- and moderate income- individuals who do not qualify for free legal services but cannot afford to pay high hourly rates.
